## BARNARD COLLEGE MAP

# BARNARD

## GROUND FLOOR ACCESS

All Barnard College buildings on the main/contiguous campus interconnect and are wheelchair accessible via the ground floor corridors. The Barnard tunnel system runs from Milbank Hall at the north end of campus (120<sup>th</sup> Street) through to the residential Quad at the south end of campus (116<sup>th</sup> Street). In addition, there are automatic door openers throughout the tunnel from Milbank to Barnard Hall.

Of the four Barnard campus entrances, two are wheelchair accessible:

- \* the main Barnard entrance at 117<sup>th</sup> Street and Broadway: enter tunnel system through the ramped south entrance to Barnard Hall and take south or north elevator to basement/ground floor level
- \* the 119<sup>th</sup> Street/Claremont entrance: enter tunnel system at the Link which connects Milbank and McIntosh.

Please note: The main entrance @ 117<sup>th</sup> Street is open 24-hours daily; the Claremont entrance is open Monday - Friday 8 a.m.- 6 p.m.

For additional access information, contact Security in 101 Barnard Hall, 212/854-3362 (24 hours) or Disability Services in 105 Hewitt, 212/854-4634 (Monday-Friday 9 a.m. - 5 p.m.).

## ACCESSIBLE RESTROOMS

Note: A bathroom is accessible if it has front door level access only. A bathroom is modified if it has specific access features, e.g. an enlarged stall with grab bars and lowered, accessible sink with accessible faucets.
