

APPLICATIONS ARE DUE DURING THE SEMESTER PRIOR TO TAKING THE COLLOQUIUM.

Please complete both sides of this application and leave it in the designated envelope on the Political Science bulletin board next to 417C Lehman Hall. Enrollment is limited to sixteen students in order to guarantee students a small class. The colloquium rosters of admitted students will be posted on the "Class Information" bulletin board next to 417C Lehman Hall within two weeks of the application due date. Be sure to attend the first class session to secure your place in the course.

Every Political Science major **must take a minimum of two colloquia**, with different instructors, usually in the junior year. Colloquia are not suitable for first-year students. Sophomores will be admitted as room permits. You must have successfully completed the **prerequisite(s)** (please list below). A second colloquium taken with the same instructor will receive political science **elective credit only**. When making your colloquium selection, please keep in mind that it is to your benefit to choose one in the field of your anticipated senior essay topic.

I. STUDENT INFORMATION

Graduation (mo/yr) _____

Name _____ Mailbox number _____

Email address _____ Cell phone _____

School & major _____ Major advisor _____

Number of Political Science colloquia already taken _____
